2021 SUMMIT

BECAUSE OF YOU, THE SUMMIT WAS A SUCCESS!

The 2021 NIFLA Leadership Summit was a tremendous success! Over 200 pro-life leaders, directors, lawyers, and medical professionals gathered together for the one-day director and medical track, followed by the two-day Summit. The agenda included some of the country's leading experts in pro-life law and medicine. In addition, attendees received the most recent, exciting, and strategic pro-life education.

Speakers included Evangelist Alveda King, Constitutional lawyer Matthew Bowman, President, and CEO of AUL Catherine Glenn Foster, excellent law professors, dedicated pro-life physicians, and many more. We covered topics such as: "The Vulnerability of Young Women to Late-Term Abortions," "Abortion and the Law of Informed Consent," and "Protecting Conscience and Religious Freedom."

Participants were blessed with the speakers' expertise and got opportunities to speak with these knowledgeable leaders and their peers in the intimate setting of the Leadership Summit. The bustling exhibit hall of pro-life vendors provided excellent options and collaboration opportunities for pregnancy center leaders.

"What I love about NIFLA and our pregnancy centers is that we don't ask anything of them. We don't ask their race; we don't ask for money. We offer LOVE"

Evangelist Alveda King

"NIFLA v. Becerra is a great victory that not only benefits NIFLA and pregnancy centers; it benefits everyone!"

Bradley Jacob, JD
Regent University

"The quality and quantity of speakers and the resources offered at the 2021 NIFLA Summit were second to none in my academic and practical experience. Coupled with the active and beautiful spirit of the Summit, this year's event was a most welcomed refreshment and encouragement toward a pro-life future."

MEET OUR STAFF

MICAYLA RHOADES - CONFERENCE COORDINATOR

"NIFLA is an opportunity for me to play my part in educating and empowering women in their health choices across our country. It is so rewarding to support the 'boots on the ground' and assist other organizations that truly care about the physical, mental, and spiritual wellbeing of all women, including those still in the womb."

MEET OUR DONORS

DALE AND MARGO TOWN

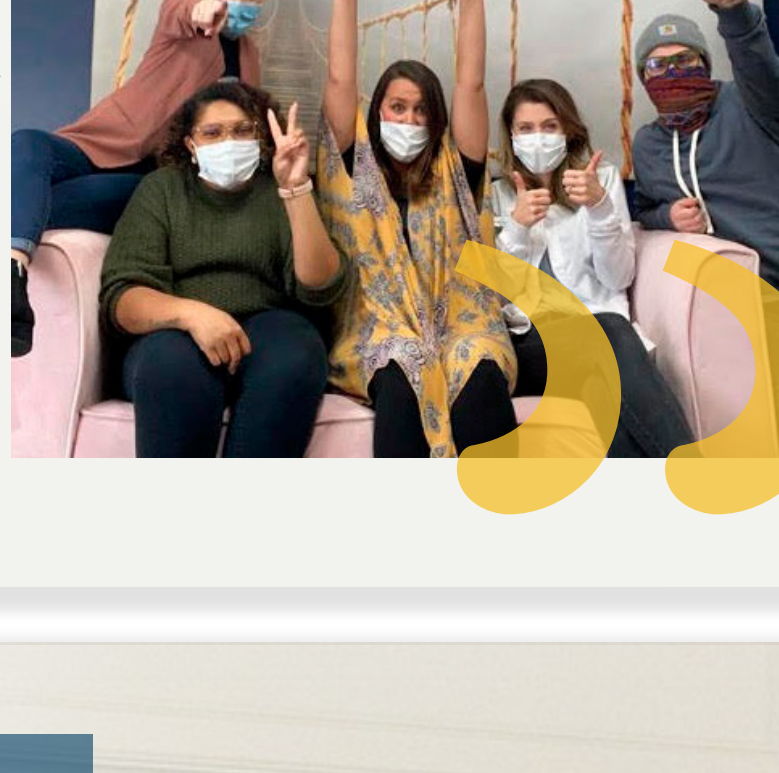

"As Christians, Margo and I believe that all life is precious, especially babies still inside the womb. We have supported the Fredericksburg Pregnancy Center (recently renamed Choices) for years to help counter the number of abortions taking place each year in our community and surrounding area. We also learned about NIFLA through our church affiliation with Tom Glessner and Katherine Hager. They provided us with information on how NIFLA supports pregnancy centers throughout the nation with legal support and medical training, including ultrasound technology, which is 80% effective in changing a mother's mind about abortion. NIFLA also serves as a strong advocate supporting various pro-life causes and organizations, including supporting Supreme Court lawsuits against abortions. We are honored to financially support both Choices and NIFLA, who work tirelessly to save the lives of those in the womb who cannot speak for themselves. We can think of no organization more dedicated and influential in preserving the sanctity of those precious lives."

MEET OUR CENTERS

PREGNANCY CENTER OF GREATER TOLEDO, OH

"After watching the webinar, we just want to say THANK YOU for all you do to promote standards of excellence in pregnancy centers and for protecting the work we do every single day. Your friends at the pregnancy center."

- Savannah Marten, ED; Latosha Duran, LSW-Client Services Director; Ashley Shaffer, Development Director; Kara Jeter, RN- Nurse Manager; Pastor Trevor Carr, Communications Manager.

PRESIDENT'S HIGHLIGHT

THOMAS GLESSNER, J.D. PRESIDENT AND FOUNDER

We live in difficult and trying times. COVID continues to paralyze our nation with fear. The international situation is exploding. Uncertainty of the future is unprecedented.

In the midst of this turmoil the work of pro-life pregnancy centers continues to provide hope to the desperate. This work will not be deterred. NIFLA's network of 1,600 pro-life pregnancy centers remains strong and vibrant in the midst of chaos and will continue to do so.

As we continue in the battle for the sanctity of human life we should take inspiration from a poem by Maltbe Babcock written long ago. Ponder these wonderful words.

*Be strong!
We are not here to play, to dream, to drift;
We have hard work to do, and loads to lift.
Shun not the struggle; face it.
'Tis God's gift.*

*Be strong!
Say not the days are evil-- Who's to blame?
And fold the hands and acquiesce-- O shame!
Stand up, speak out, and bravely,
In God's name.*

*Be strong!
It matters not how deep entrenched the wrong,
How hard the battle goes, the day how long,
Faint not, fight on!
Tomorrow comes the song.*
